grandmama

bringing healthcare at home

streamlines & simplifies the homecare journey, facilitating seamless connections & coordination among families & homecare professionals

www.grandmama.gr

Produced Locally • Sold Globally

**The Ultimate Gateway for
Greek F&B Exports**

One-Stop-Solution

for international buyers of Greek Food and Beverages, providing a Single-Point of contact to effortlessly source products from multiple suppliers, enhanced with RFQ automations.

Export and Sales services

for Greek producers. We create sales opportunities and manage the export process allowing them to focus on product development and improvement.

ManaGi has created an **innovative**, **fast** and **secure** transaction environment that the market has been lacking.

ManaGi 3.0, currently under development by our tech team with advanced AI technology, is designed to streamline the procurement process for international buyers, seamlessly interconnecting all stakeholders involved in the export process.

www.managi.eu

TPL mission

connect suppliers, marketplaces and logistics to create an agile and innovative turnkey solution to place, promote, sell and deliver products internationally, driving game-changing growth.

Transforming Lives, Fueling Dreams, & Helping Shape Greece's *Vibrant* Future.

At **THI Canada**, we unite the Greek diaspora and passionate Philhellenes to empower Greece.

We drive tangible, positive change through our grassroots initiatives that deliver:

- ▶ **Healthcare assistance** to vulnerable and underfunded communities in Greece
- ▶ **Transformative opportunities** for aspiring Greek students
- ▶ **Resources and expert guidance** for entrepreneurs and businesses

With your support, we are building connections that unlock opportunity, foster resilience, and inspire hope for Greece, paving the way for a dynamic and prosperous future for both today's and tomorrow's generations.
